Please attach a personal essay, not exceeding 350 words, telling us why you want to be a lineman. On a separate page please provide a list of your activities and three references.

**All entries must be postmarked no later than March 17, 2023.**

Midwest Electric's scholarship committee will review the entries and select the recipient.

**The winner will be notified prior to April 1, 2024.**

**\$1,000**

**Lineman Scholarship**

## Fostering a skilled, safety-conscious workforce.

Midwest Electric Cooperative offers two scholarships annually, worth \$1,000 each. The scholarship will be paid to the selected winner's school of attendance.

Scholarship winners are not guaranteed internships or employment opportunities at Midwest Electric. Applicant needs to reside within the Midwest Electric territory boundaries.

## What can I expect if I choose a career as a Lineman?

Midwest Electric Cooperative offers the opportunity to ride along with a lineman so you can see what the job entails. Contact Operations Manager Craig Wykert to make arrangements. He can be reached by calling 308-352-4356.
