Worldwide electronics leader Samsung endowed a scholarship fund of \$5 million to be administered by The American Legion in 1996. Meant to show appreciation for U.S. veterans who came to Korea's aid during its struggle against communist forces in the Korean War, the Samsung American Legion Scholarship Program established a series of scholarships derived from interest and other income from the principal amount. As of 2019 the Samsung American Legion Scholarship has awarded more than \$6.5 million in college scholarships to 2,266 applicants since its inception in 1996.
